

**EXHIBITION VISIONS DEL QUIXOT: HOGARTH, DORÉ, DAUMIER, PICASSO, DALÍ, MATTA, PONÇ I SAURA** CENTRE CULTURAL CAIXA CATALUNYA | LA PEDRERA | PG. DE GRÀCIA, 92. BARCELONA from March 8th to June 12th 2005 Visions del Quixot covers the evolution of the various visions of the figure of Don Quixote as seen through the eyes of eight artists. The exhibition illustrates the iconographic evolution of the characters of Don Quixote and Sancho Panza, over four centuries, as an expression of different views in different periods (the baroque, the enlightenment, romanticism, modernity, and present day), you will delight in the vigorous, incensed and mad Quixote to the asthenic and suffering Quixote of romanticism; from the pedagogic aims of publishers and illustrators to the antirealist signs of modernity of contemporary artists.
